# LOCATION

## PORTUGAL

## EUROPE

## TRANSPORT

**Lisbon ↔ Évora**

- ▶ By train (CP)
- ▶ By Bus (Rede Expressos)
- ▶ By car

**Évora** is a historic small town of south Portugal, 110 Km east of Lisbon, Évora the **historic city** lying at the heart of Alentejo,(Além-Tejo (beyond-tejo) ), is heir to a rich and diverse cultural heritage, built and preserved over time.

In 1986, Évora was classified as **World Cultural Heritage**.

The region around Évora has an unique megalithic archaeological landscape, one of the oldest and monumental in Europe. Évora has medieval alleyways, palaces, monasteries and churches and places to socialize and taste the exquisite flavours of traditional cuisine.

The tourist and visitor will find in Évora an exceptional cultural heritage, coexisting in harmony with the country's best quality of life standards. **Ample motive to see, discover and surely want to return.**

Available from: <http://www.cm-evora.pt/en/Evoratourism/about-evora/> .[2020 Nov 2]

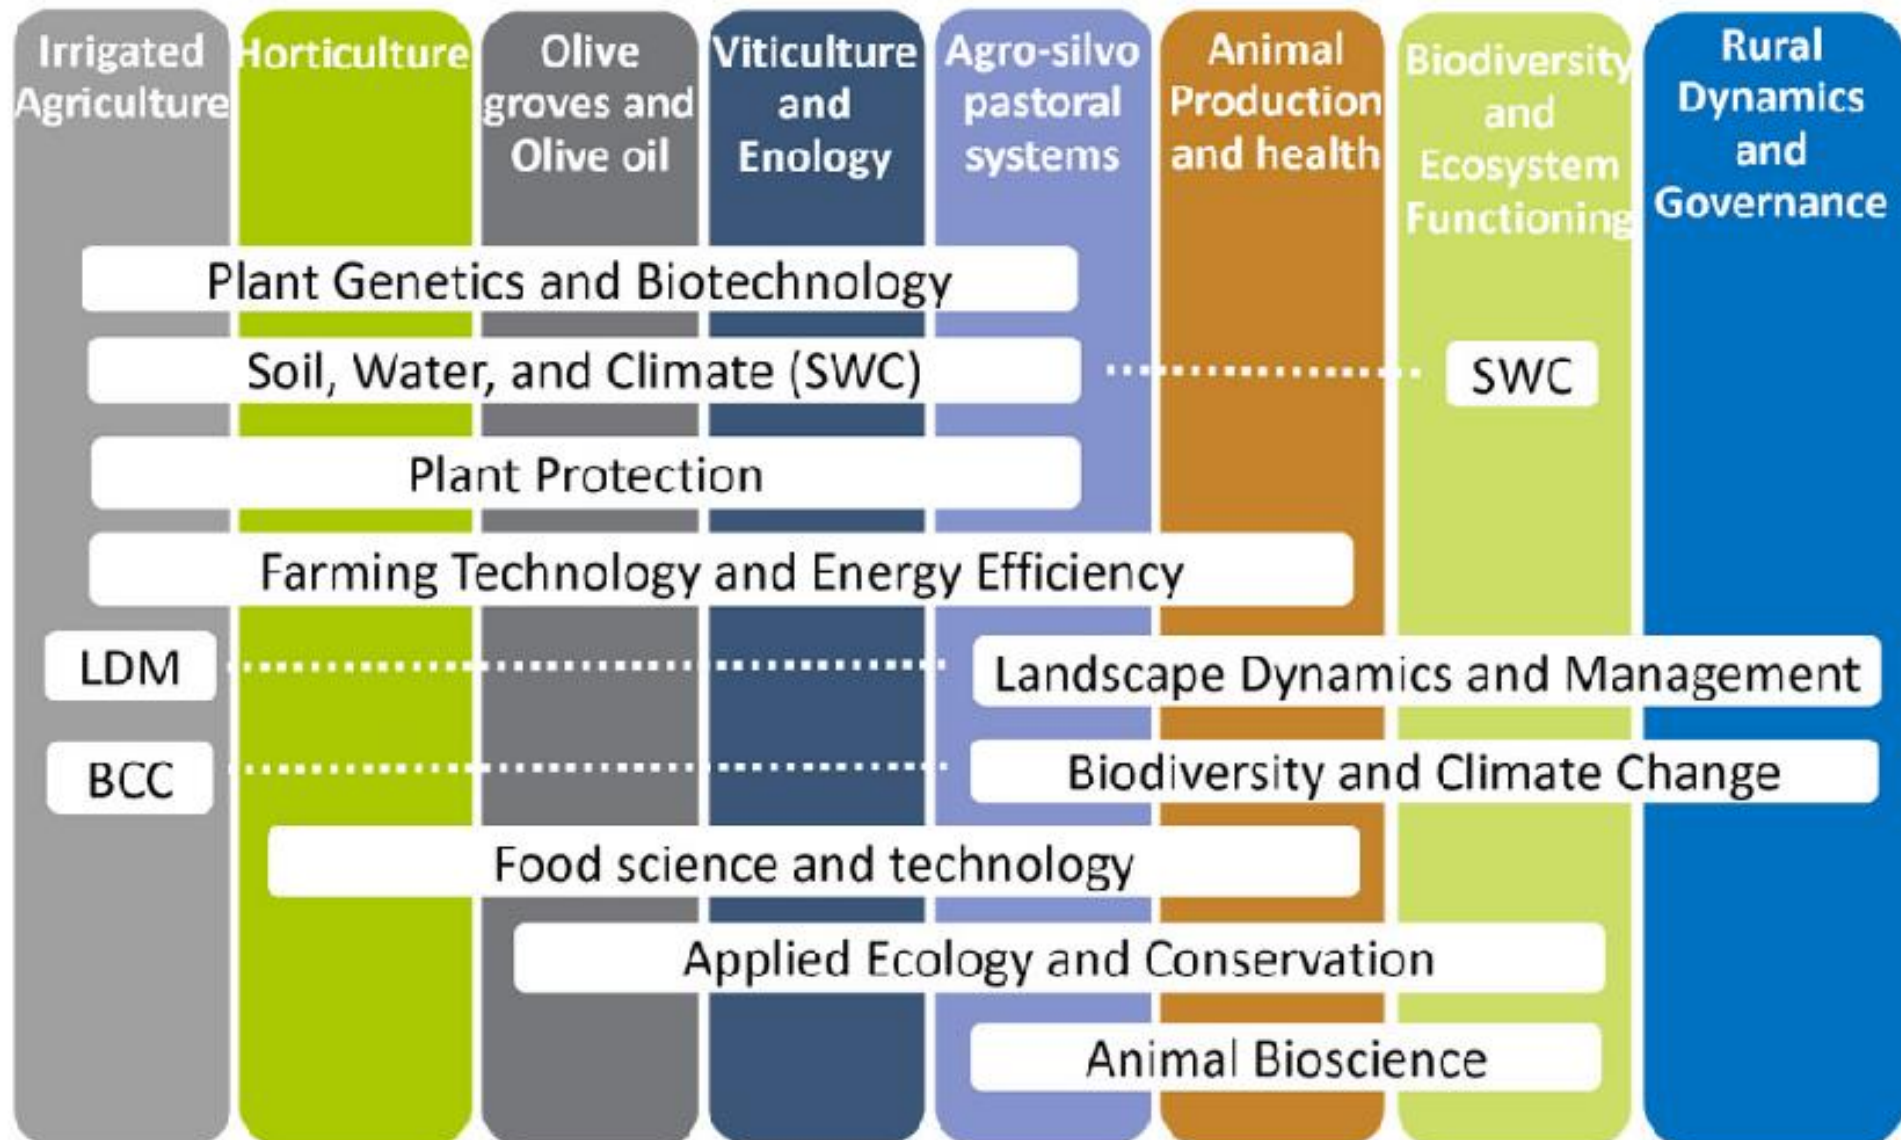

**University of Évora** is a center for the creation, transmission and diffusion of culture, science and technology, which, through the articulation of study, teaching and research, is integrated into the life of society.
